Thanks to Heidi King for making this possible!

We had another busy and successful year with many fundraisers adding to our playground fund and the ability to help financially support various activities for students. Some of these include: clay and puppetry workshops, athletics computer program, class trips, busing for the concert band and butterfly larvae study.

Our mission is to **help enhance our children's social and academic experience while working to build a greater sense of community**; Without the support of students, staff, parents, grandparents and community members this would not be possible. **Thank you for your continued support.**

Follow our facebook page, Hantsport Home and School, to stay up-to-date over the Summer! See you in the Fall!

Hantsport Home & School Coffee
